

Fashion Forward... Fur!

A major trend on every designer's runway this season, fur has found its place in the look and contemporary lifestyle of modern women.

This is the time to Restyle and Restore your fine furs and leathers.

Whether it's creating a bold new bomber out of Mom's old mink or simply restyling a dated coat with expert alterations...our master furrier is onsite to guide you in redesigning and refurbishing all your fine furs and leather.

We also offer a full line of fur services, including cleaning, storage and glazing.

We invite you to make an appointment today.
